

A diagram illustrating the Subject-Predicate-Object (SPO) structure. It consists of three main components arranged horizontally: a yellow oval on the left containing the word 'SUBJECT', a light green rectangle in the middle containing the word 'PREDICATE', and a yellow oval on the right containing the word 'OBJECT'. A horizontal line connects the 'SUBJECT' oval to the 'PREDICATE' rectangle, and another horizontal line connects the 'PREDICATE' rectangle to the 'OBJECT' oval. The line connecting to the 'OBJECT' oval ends in a black arrowhead pointing towards it.
